1	I think this is great if it takes mountain bikers away from the existing dyemill trails I use for walking my dogs	1/2/2021 11:26 PM
2	Picknick benches and shelter and floodlights for using pump track in winter	1/2/2021 11:23 PM
3	This would be great as our islands kids have to travel and stay overnight to Use mainland facilities	1/2/2021 11:16 PM
4	It will be beneficial for all mountain bikers and safer to have one designated area away from walkers and riders.	1/2/2021 9:51 PM
5	It is an awesome idea	1/2/2021 9:48 PM
6	I don't mountain bike but would give it a go on a site like this. I don't think there's anywhere else on Arran safe to practice as a beginner	12/20/2020 10:36 PM
7	I like that it the cycle trails will give cyclists somewhere to use away from the busy dog walking trails	12/20/2020 10:33 PM
8	Is there room to expand further in the future?	12/20/2020 10:27 PM
9	Wholly supportive of this type of facility. There are limited sports and active lifestyle facilities within easy access on Arran. I believe this will help increase access, opportunity and inclusivity for the young people of Arran.	12/11/2020 6:17 AM
10	Ahsmbc is cool, I love mountain biking with them	12/5/2020 7:30 PM
11	As above, ban road lice. fix roads, send lice to tracks and mainland :)	12/4/2020 10:01 PM
12	I hope this gives cyclists trails separate to the existing multi user paths Can I run on the MTB trails?	12/4/2020 9:46 PM
13	This is really great! ☺☺	12/4/2020 9:28 PM
14	I think this is great ☺	12/4/2020 8:21 PM
15	I think it will be good because it will give mountain bikers a space to bike. Taking off the walking path.	12/4/2020 8:20 PM
16	I think its a great idea and will benefit the children on arran massively	12/4/2020 8:18 PM
17	It would be a fantastic development and i am sure it would be well used	12/4/2020 4:44 PM

30	Undecided until I can understand a, precisely where this is planned relative to current walkers trails. b, until it is confirmed that this will reduce or do away with current cycle traffic on walkers trails.	12/2/2020 9:43 AM
31	Great idea, hope this goes ahead	12/1/2020 7:02 PM
32	Nothing	12/1/2020 4:22 PM
33	No ☹	12/1/2020 12:55 AM
34	Can we get a better map please, we would like to see if this is going to interfere with the	12/1/2020 12:05 AM

	existing Dyemill circular track, nwhich is not showed on the map.	
35	Great idea	11/30/2020 9:29 PM
36	Would definitely use think its a great idea for community and kids	11/30/2020 7:44 PM
37	Access to this needs to be off of existing paths.	11/30/2020 7:41 PM
38	Do this project on School property or behind the school in those hills not in an area where there are many dogs that daily use this proposed area.	11/30/2020 6:23 PM
39	Would spoil the area	11/30/2020 5:01 PM
40	I think this is an absolutely fantastic proposal and would be very well utilised by islanders and toutists. Could maybe think about having an area for snacks, changing room and suchlike.	11/30/2020 4:54 PM
41	My dog says bark off	11/30/2020 4:00 PM
42	I MTB in the area each week and the main route back to the Carpark is a multi used trail shared with dog walkers. Sometimes dogs are off The lead and not always under control. It would be good to safely separate these user groups and have an independent MTB route back down to the Carpark.	11/29/2020 4:24 PM
43	Nope	11/29/2020 2:17 PM
44	Happy to donate for use of pumptrack.	11/28/2020 6:18 PM
45	If this replaces existing walking routes I do not support it. If it separates walking routes and MTB routes I do support it.	11/28/2020 6:16 PM
46	Great work on keeping the trails in good condition, great trails for all levels of riders. Well done ☺☺	11/27/2020 9:17 PM

48	I love the idea of this	11/27/2020 12:33 AM
49	Very exciting oppportunity for the community and it would be fabulous to see	11/26/2020 7:44 PM
50	As above this loop is so picturesque and accessible for low level walkers please do not take it away.	11/26/2020 7:43 PM
51	It sounds like a great facility that would encourage new cyclists and allow experienced cyclists to I.prove their skills	11/26/2020 2:58 PM

55	Just that I think it's a great idea	11/24/2020 9:48 PM
56	Amazing initiative, well done. The Arran children and young adults will love this.	11/24/2020 7:05 PM
57	I welcome this project. It will be well used and serves to address social and health priorities at local and national level. It will prove to be a fantastic community asset for our young people and for visitors to Arran. 100% support.	11/24/2020 7:02 PM
58	GREAT WORK !!!!	11/24/2020 4:19 PM

70	I fully support this project	11/23/2020 7:47 PM
71	This sounds like a fantastic resource for young people on Arran, not just for cycling but also in terms of the learning opportunities in the development and maintenance involved. Fully support this. Would hope that access for walkers would not be affected/taken into consideration.	11/23/2020 7:43 PM
72	No	11/23/2020 7:42 PM
73	Great idea and would be well used. Kids spend too much time on games consoles and phones, this would definitely get them out more and I would love to get some bikes out on the pump track!	11/23/2020 7:33 PM
74	No	11/23/2020 7:09 PM
75	I am really looking forward to see this idea go ahead.	11/23/2020 6:36 PM
76	There are already plenty of areas to learn bike skills on Arran. There are also already plenty of tracks /areas to cycle, at all levels off-road. This isn't another waste of money. It is a barely hidden ruse aimed not at helping Islanders but at drawing , yet more, cyclists from the mainland.	11/23/2020 5:59 PM
77	Will this project interfere with the existing paths in the Dyemill area. If so, I am dead against it.	11/23/2020 5:58 PM
78	This project would be a fantastic addition to the cycling experience on Arran especially for getting youngsters into the sport in a safe environment.	11/23/2020 4:55 PM
79	Get it done	11/23/2020 4:42 PM
80	This will completely ruin a beautiful ad peaceful place. Please buy a field to build it in.	11/23/2020 4:38 PM
81	Please leave our diminishing forest paths for leisurely walks where dogs can be off leash safely without fear of bikes bombing round the corner and crashing into us. This area is very popular with walkers and we use it every day. I have no objection to cyclists having trails but please don't put them in a designated area that is ocular with dog walkers and easily accessible to those of us who may now be less mobile than before. This area is perfect for easier walks in pleasant surroundings. Cyclists could surely go that wee bit further ?	11/23/2020 4:34 PM
82	As a cyclist/mtber myself, I think this is a fantastic idea for otherwise under utilised areas! I would take my child often as there is nowhere else on Arran suitable for especially young children.	11/23/2020 4:30 PM
83	Good luck	11/23/2020 4:12 PM
84	AHS MBC is a fantastic group. Might be good to get involved with Cycling without age for another inter generational aspect to the club.	11/23/2020 4:08 PM
85	Great idea. I am probably too old to take up skateboarding or resume roller skating, but would have loved this facility when I was younger.	11/23/2020 3:46 PM
86	Think it is a great idea for a growing sport on the island	11/23/2020 2:30 PM
87	A great opportunity for all. Thank you for sharing the invitation to contribute.	11/23/2020 2:04 PM
88	Would be a great asset to Arran and I'd love to see it go ahead	11/23/2020 1:59 PM
89	I think it would be amazing if Arran got its own MTB trails and pumptrack. we go to the mainland to do this stuff and i would like it if i could do it here too.	11/23/2020 1:57 PM

106	This is a fantastic opportunity for all - whether young or old. It is accessible, which is good. Young people will get the chance to be responsible citizens and also exercise, hugely important when we are worried about obesity and the associated health problems it causes.	11/23/2020 8:37 AM
107	I think this is a great idea for pupils and the wider community. Much safer having a designated area for cyclists away from the roads.	11/23/2020 8:35 AM
108	My children loves MTB and it's always better when they have place to ride	11/23/2020 8:34 AM
109	No. But great idea and job though.	11/23/2020 8:32 AM
