

Dumfries & Borders Forest District

Ae Composite Land Management Plan
Management Map

Date: November 2017
v1.0

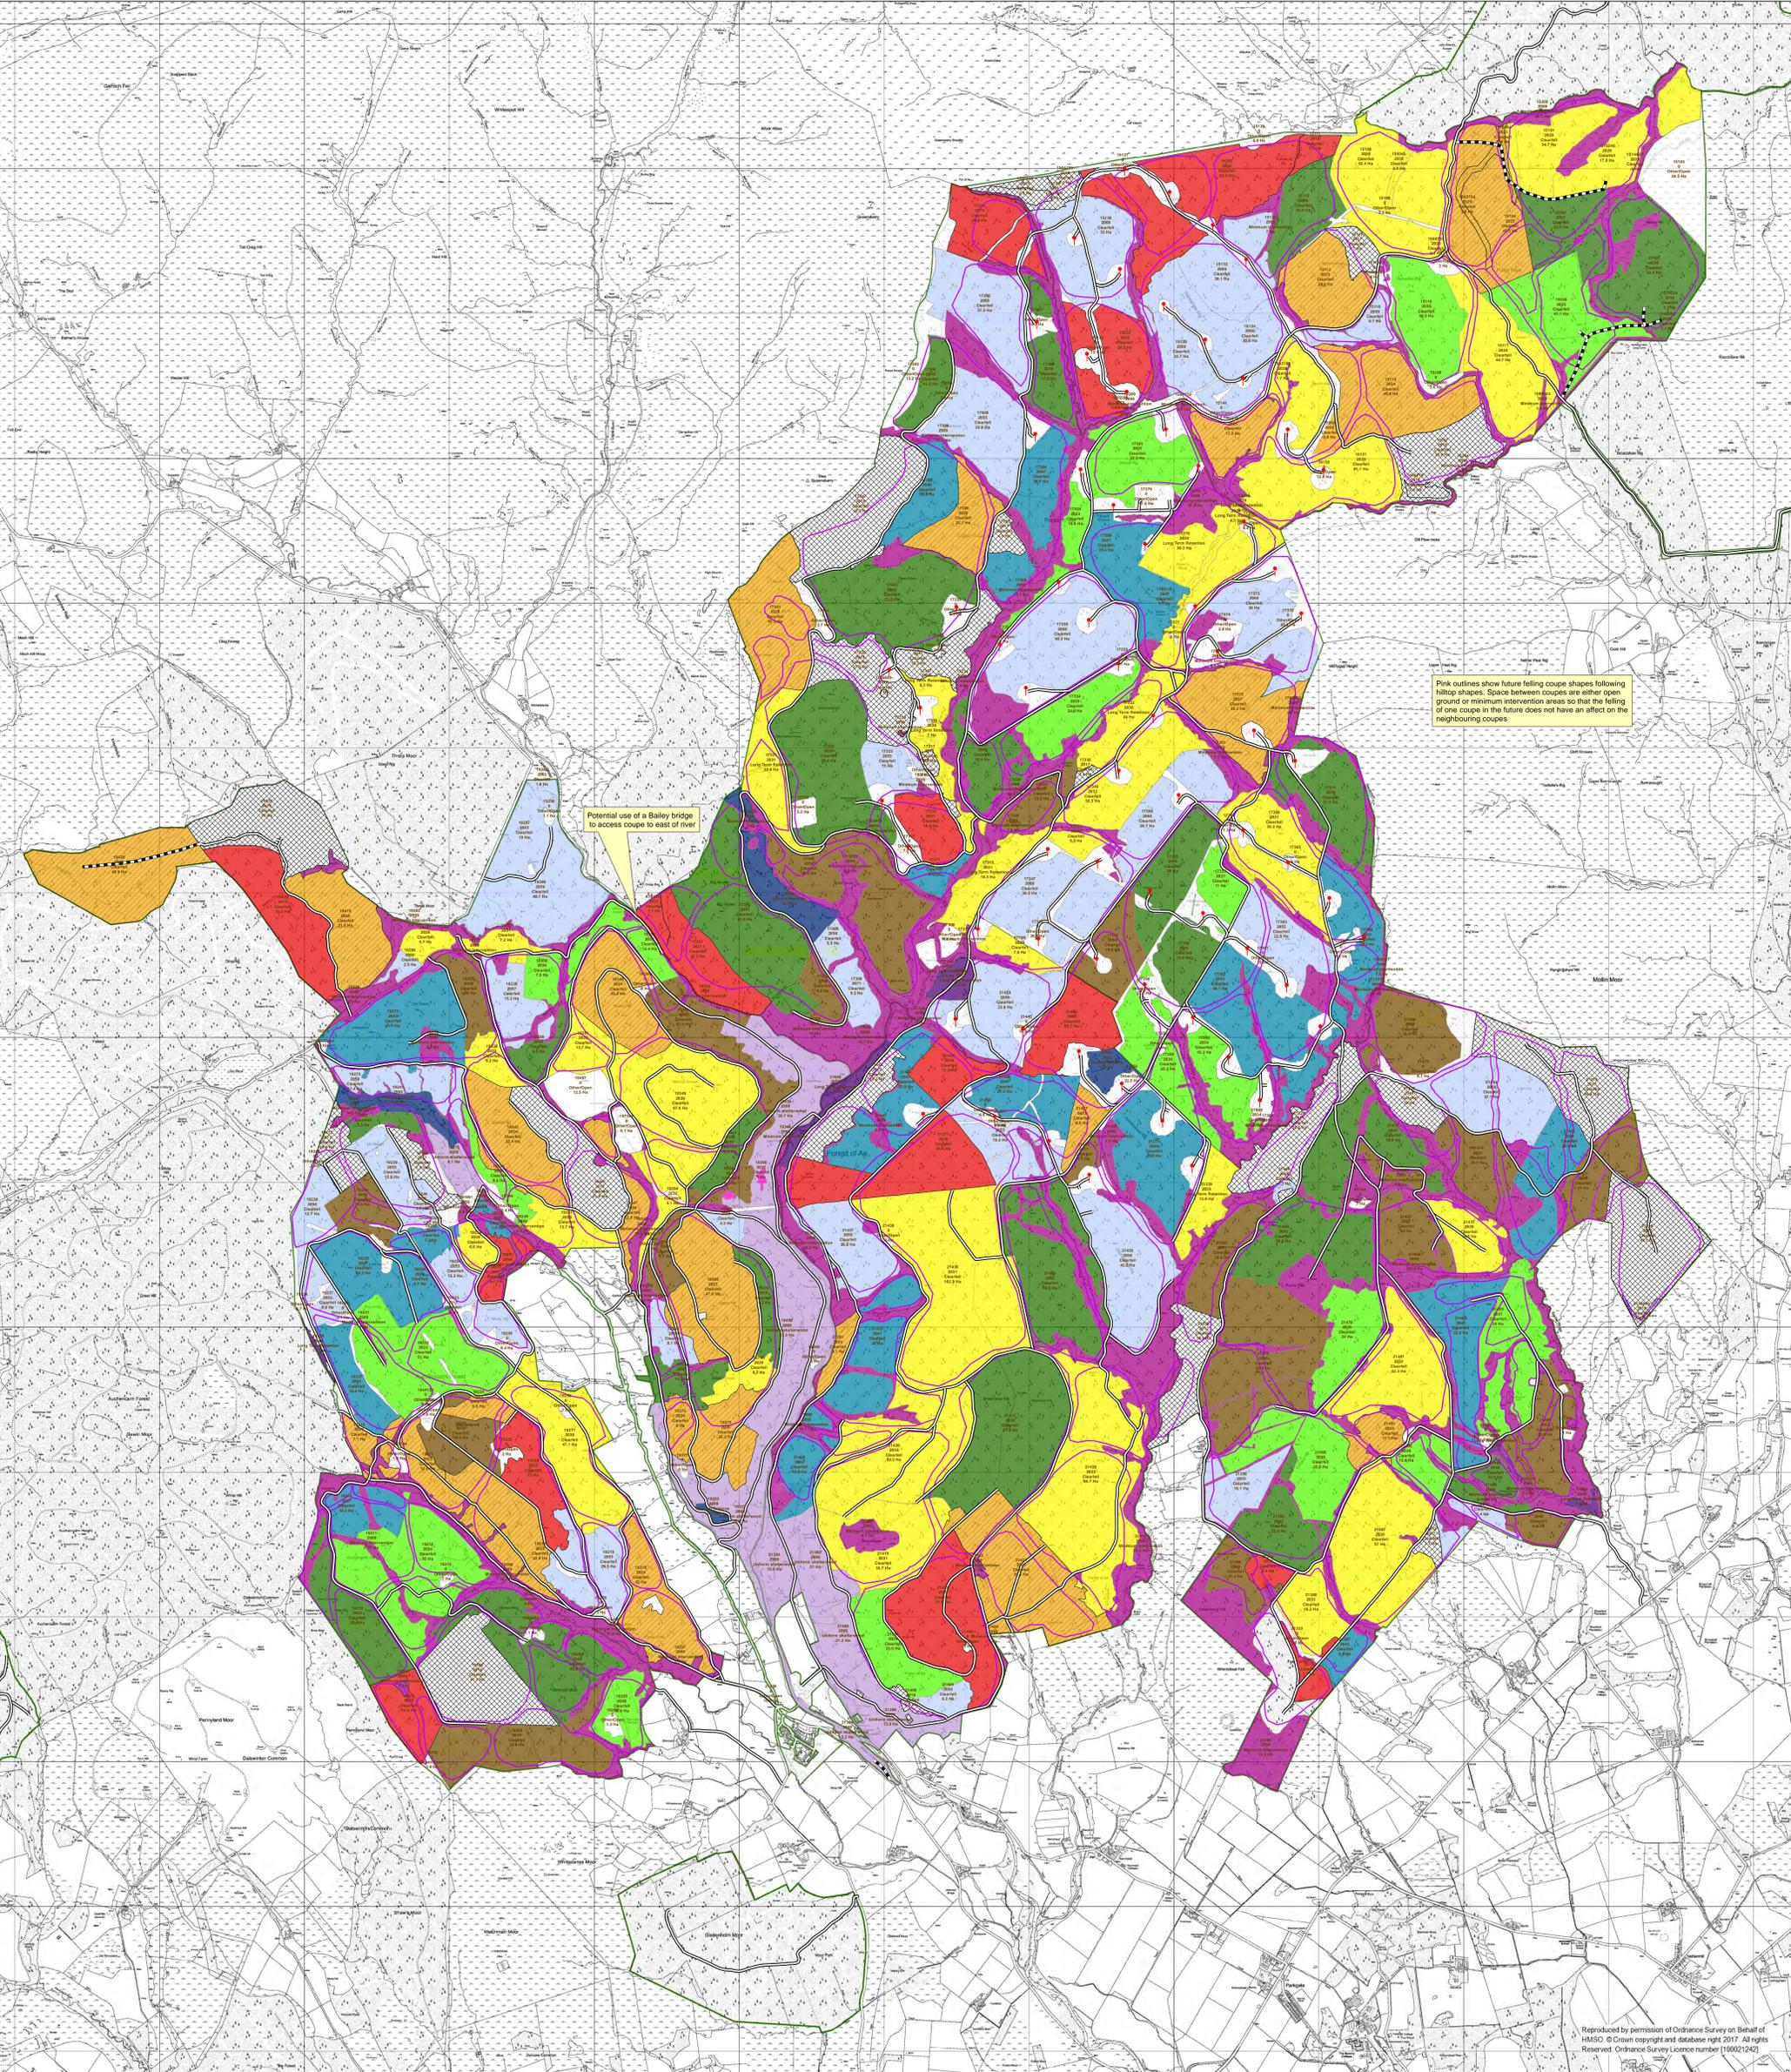

Scale (at A0): 1:15,000

Legend

- Turbines
- Forest Roads
- Planned Roads
- Future forest coupe shapes
- Coupes for approval
- Felled awaiting restock
- Phase 1 felling (2018 - 2022)
- Phase 2 felling (2023 - 2027)
- Phase 3 felling (2028 - 2032)
- Phase 4 felling (2033 - 2037)
- Phase 5 felling (2038 - 2042)
- Phase 6 felling (2043 - 2047)
- Phase 7 felling (2048 - 2052)
- After 2052
- Natural reserve
- Long term retention
- Minimum Intervention
- Low impact silviculture
- Open

Potential use of a Bailey bridge to access coupe to east of river

Pink outlines show future felling coupe shapes following hilling shapes. Spaces between coupes are either open ground or minimum intervention areas so that the felling of one coupe in the future does not have an affect on the neighbouring coupes
